App for sorting waste in Ichinomiya City

さんあ〜る[®] for iPhone
for Android

**"Have you ever had trouble with
sorting waste or finding waste collection day?"**

Waste sorting app, "sana-ru", is an app that helps you quickly search for
the rules on how to sort waste, and also notifies you of the collection day
for recyclables or garbage. Please make good use of this app.

Notification feature

You can be notified of the collection day
for each type of waste, and information
from Ichinomiya City.

Waste collection calendar

By setting your area of residence, you
can see the collection days in calendar
form.

Search for category of waste sorting

You can search by the name of what
you want to dispose to see which
waste category it belongs to.

Dictionary for sorting and disposing of waste

You can find details and points to note
on sorting and disposing of waste.

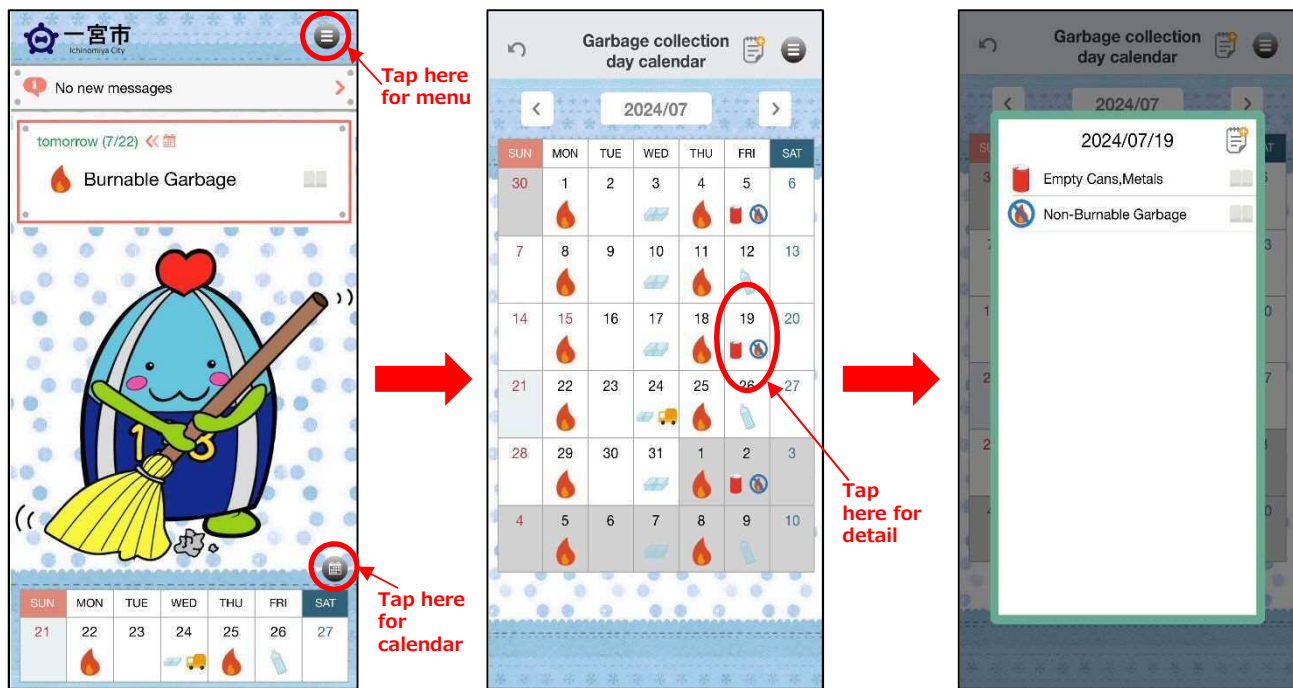

【Contact】

Waste management div. Environment dept. Ichinomiya City
TEL : 0586-45-5374

Useful features of “sana-ru” ①

Waste collection calendar

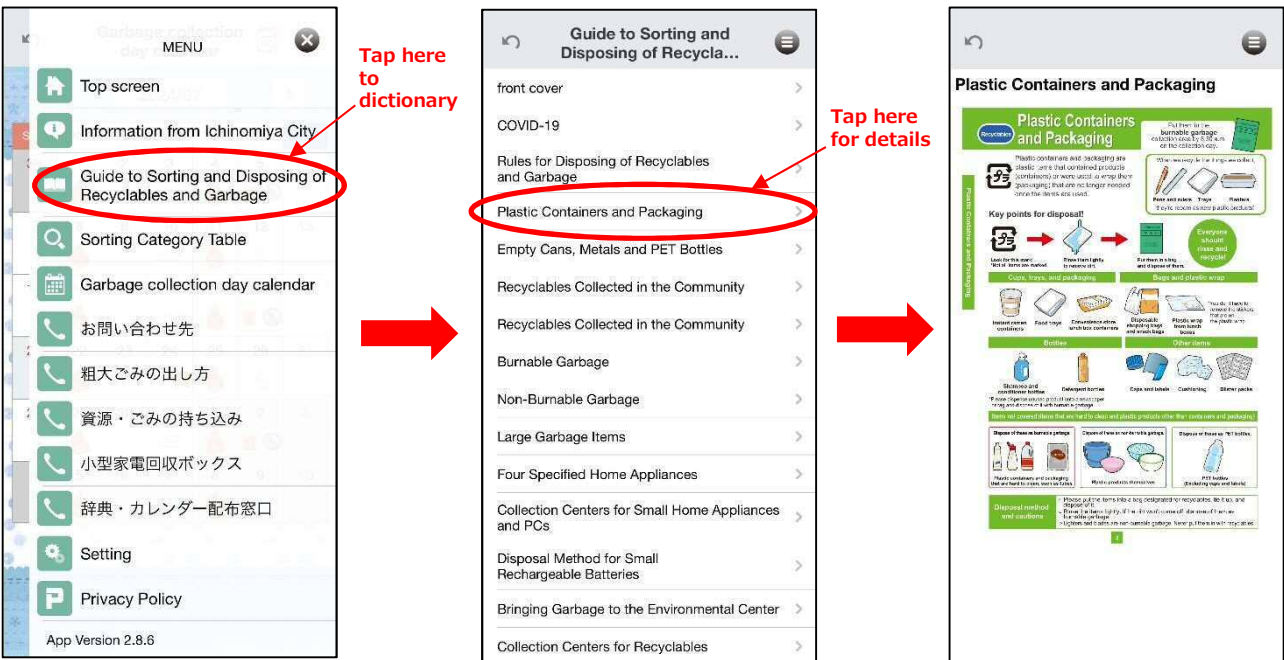

You can check collection day at your address. (Alarm setting available)

Useful features of “sana-ru” ②

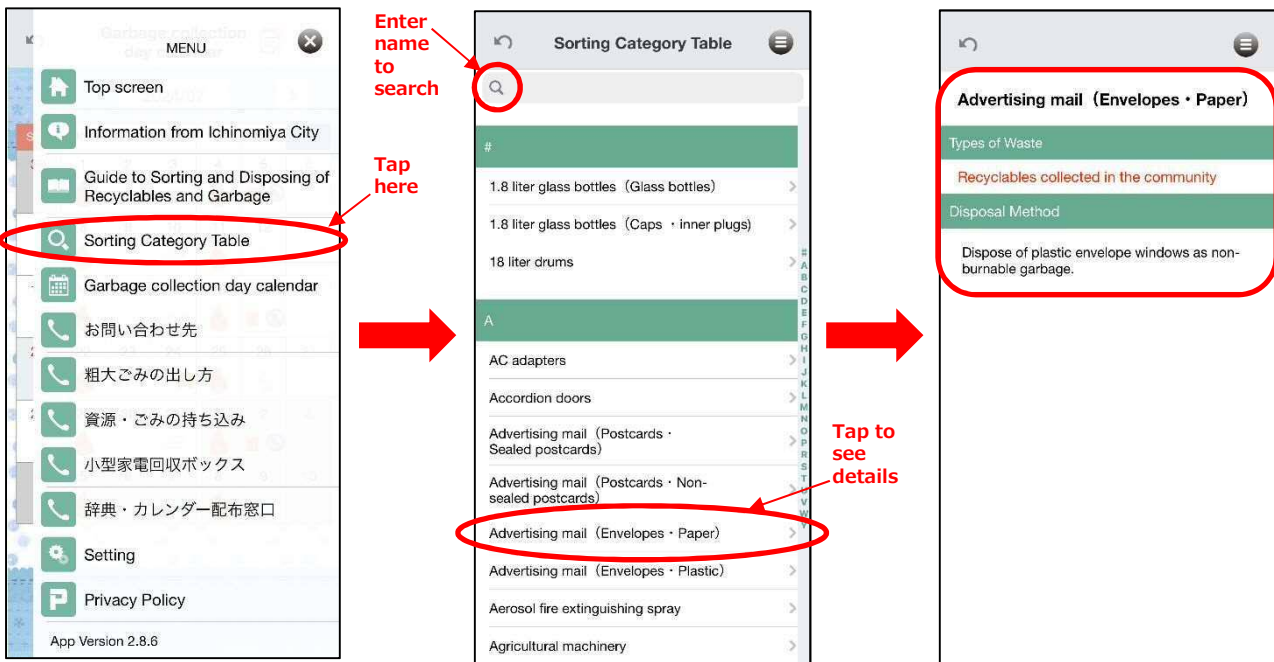

Dictionary for sorting and disposing of waste

You can find details on how to sort and dispose of the different waste categories, and where to drop off.

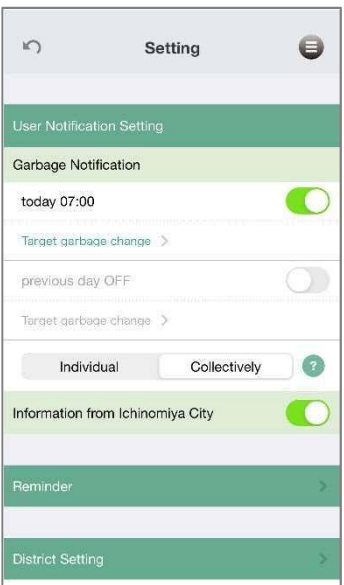

Search for category of waste sorting

You can search for what waste category an item is by entering the name of the item or choosing from the list (in Japanese order) on the page after tapping the icon Q.

Notification settings

You can be notified of collection day by alarm.

You can turn notifications ON/OFF for the collection days of each waste category, as well as the notification time, under the settings page in the menu. You can also turn on notifications for information from Ichinomiya City.
